TRAINING/CERTIFICATIONS

Microsoft Office package

Manandhar Computer Training Center / 2018

Digital Marketing

Deerwalk Training Center / 2024

PROJECTS

Streamlined Unisex Saloon Management

I developed a comprehensive management system for a unisex salon to streamline daily operations, including appointment scheduling, client management, and inventory tracking. The project focuses on optimizing workflow efficiency and improving customer experience through automated processes, allowing staff to allocate more time to client service. Features include an intuitive booking interface, real-time notifications, and customer feedback integration.
